bill loaders

Reduce the Time Needed for Cash Management

Reduced Cash Collection Costs

- Largest cashbox capacity (3000-notes) in category prolongs uptime
- Cashbox front door enables quick cash extraction without removing cash box from housing

Enhanced Reliability and Machine Uptime

- Detachable loader head provides easy access for untrained staff to bill path to clear jams
- Non-protruding bezel reduces staff bumping and breakage accidents
- Integrated bezel architecture minimizes jams resulting from misalignment of bill path

Designed for Ease of Use

- User-intuitive bezel eliminates confusion on where note stack is to be inserted
- Better support for inserted and rejected notes means bills don't drop on floor
